We visit the house museum of Pavarotti, various locations significant to Verdi, including his country estate, the Renata Tebaldi museum, a violin workshop and the famous violin museum in Cremona. We then treat ourselves to an opera at La Scala, Milan and then at Venice's La Fenice! Wow!

Enjoy exploring each little jewel, far from the big tourist attractions and major cities. Immerse yourself in local culture and cuisine and savour each marvellous moment!

There will be opera and music enroute as we pop into larger centres to take in performances. Our tour concludes with four wonderful nights in the sublime city of Venice, with opera at La Fenice and many other joys!
