'OPERA ON THE HARBOUR!' 2019

- OUR TOUR OVERVIEW -

Join us on our delightful annual sojourn to vibrant Sydney and take in this year's now iconic Handa - 'Opera on the Harbour,' presented by Opera Australia. This truly world-class opera event is extremely well organised, with comfortable seating and great amenities plus a setting second-to-none, overlooking the harbour and CBD. With the Opera House, bridge and sky-scrapers all lit up and all manner of water craft coming and going in the background it's a truly spectacular setting...and then, the water stage lights up and the opera begins!

Our deluxe tour always sells out and is keenly anticipated by many repeat clients who put their names down to join us year after year. Why? Because our packages are excellent value, our chosen hotel is beautiful, we give you free time to do the things you would like to do in Sydney and we include top-notch activities to enjoy together...and convivial dinners, with wine.

Our clients enjoy Premium seats to the opera with coach transfers right to the entrance and back to our hotel. On arrival it's an easy few steps to the edge of the red carpet leading into the venue where we always enjoy a pre-performance back-stage tour. We always have a 'back-up' night too, just in case of bad weather on our performance night.

For 2019 we will have some fabulous activities to enjoy with your fellow Opera-Lovers and from the moment we arrive at the hotel on our private coach from Sydney airport, you will find everything well organised and relaxed. Whilst we organise your check-in at the Sir Stamford, you can take a comfy chair in the beautiful foyer-lounge area and enjoy a coffee/tea/juice as you meet some of your fellow travellers. Your keys will be handed to you, your luggage taken to your room and staff will welcome us and explain about the hotel.

- On our first evening we meet for a delightful Welcome Dinner and start to get to know our friends on the tour. A delicious buffet breakfast awaits you each morning in the dining room.

- We will enjoy a range of activities together, very likely including one of the Sydney Harbour cruises which are always greatly enjoyed. We haven't quite settled on our choices of activities this year but these will be announced soon. Sydney always offers many temptations!

- When you are not enjoying our planned activities with the group, your time is your own to do whatever takes your fancy. In Sydney you are spoilt for choice and we will always assist you!

- Our final night is always a fun gathering, with a special three-course dinner enjoyed in our hotel's elegant Elizabeth Room. The lovely setting, the convivial company of friends old and new and always a dash of music, combine to create a fitting end to our time together in Sydney !

We look forward to seeing you for the Opera and a whole lot more!

Jennifer Parish & Stewart Cameron
