IN PARADISE

Don't miss this unique annual event on spectacular Norfolk Island
February 15th - 19th, 2010

IMAGINE ...combining a holiday in a Pacific Paradise with a week of stunning concerts. Fabulous performers from Australia and New Zealand are your entertainers and holiday companions.

When a marvellous line-up of singers and musicians descends upon beautiful Norfolk Island, the stage is set for a week of stunning performances and a truly unique musical holiday. With numbers limited to just a few hundred, this exclusive Festival offers a rare opportunity to enjoy excellent performances and to socialise with the artists who have joined you on the 'Jewel in the Pacific.'

Spectacular scenery and dramatic coastline lie along the country roads.

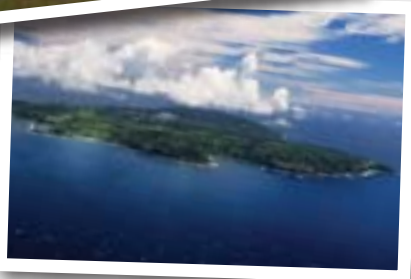

Your concert timetable in place, the rest of your holiday can be spent indulging in the many relaxing charms of Norfolk Island... There are no traffic lights, just cows and geese enjoying 'right of way.' Absorb the island's fascinating history as you explore convict ruins and the old settlement buildings. Swim in the pristine waters of Emily Bay, play golf, go fishing, take leisurely bush walks, enjoy tax free shopping, delicious food and the warmth of the 'locals.'
